Sir/Madam,

In continuation to DCI's letters under reference on the subject mentioned above, I am directed to state that the Executive Committee of DCI in its meeting held on 29.07.2021 considered the matter of non-furnishing the copy of valid 'NAAC Accreditation Certificates' to this Council, by the most of the dental colleges, which is mandatory as per clause 9 "Accreditation of Dental Institutes in the country by National Assessment and Accreditation Council (NAAC) is mandatory" of the Dental Council of India (Miscellaneous) Regulations, 2007 and after discussion and deliberation decided as under:-

NAAC Accreditation is mandatory for every dental college in the country, as per clause 9 of the Dental Council of India (Miscellaneous) Regulations, 2007 notified in the official gazette on 29.06.2007 but even after issuing repeated reminders by DCI, only a few dental colleges have made themselves accredited by NAAC and furnished the necessary certificate to the DCI office in this regard. Therefore, all the concerned Dental colleges, those have not yet get themselves accredited with NAAC, are strictly advised to get the same and submit the certificate to DCI office within six months otherwise necessary action, as per rules, will be initiated against them. A circular to this effect is issued to the concerned Dental College.

2. Accordingly, the above said decision of the Executive Committee of DCI is communicated to you for your information and further necessary action in the matter, with a request to get your college NAAC accredited and furnish a copy of certificate to DCI office within six months from the date of issue of this letter.

Yours faithfully,
